## **SPECIAL ANNOUNCEMENT TO EVERYONE!!**

After a player has been accepted into the Academy and all payments made, it is very important to know what items each individual is expected to bring into the club house for personal use. We have in the past, experienced some challenges regarding the behavior of certain individuals especially inside the Club House. Personal belongings have disappeared and sometimes undetected due to the fact that some individuals bring a lot of clothes, shoes and other stuff without a proper record of all that they bring and might not even realize that certain stuff has gone missing. We therefore require each and everyone coming into the Club House to have a record of all their personal belongings and hand it to the House Caretaker who could be in some cases one or two of the coaches, the caretaker will then double check, confirm the records and have a copy retained by the owner.

# Player/Parent Agreement

Updated: May 18, 2019

## INTRODUCTION

We have enjoyed many successes with our involvement in youth soccer and learned that one key ingredient of success is clear, consistent communication between the club; its teams and trainers, players and parents. This document is one way of explaining, in detail, our expectations of you as a member of DIASPORA SOCCER ACADEMY (“DSA”) and what you can expect from the Academy. It will help you identify some potential problem areas and at the same time answer questions about the club’s decision-making process. As you have committed to become a member of DSA, please take the time to read the following pages carefully. The signature page must be signed by the player and a parent to be accepted to the Academy. This agreement covers the seasonal year that runs from January 1<sup>st</sup> to November 31<sup>st</sup> each year.

## PLAYER EVALUATION AND SELECTION

Current players are evaluated throughout the season during practices, scrimmages, and games. New players are evaluated during annual tryouts, special clinics, scrimmages and under game situations. There are many terminologies used to categorize and describe soccer abilities. Present and potential team members are evaluated in four areas:

- 1) Mental dimensions (character, discipline, and leadership)
- 2) Physical dimensions (endurance, strength, and speed)
- 3) Technical competence (skills)
- 4) Tactical awareness (runs, reading)

If you have any questions about the meaning of these terms, please ask the trainers. Trainers or independent evaluators will base their decisions solely on the four areas of evaluation and they are responsible to make decisions for the good of the club and team. Politics, friendships, personal relationships, and financial contribution to the club or team will not enter into these decisions. Your understanding here is important, for just as players have the freedom to select a soccer club without unfair pressure and with a full understanding of what is expected, the coach needs the same freedom to work objectively. We will not always agree on issues as sensitive as player evaluation and selection. We hope you will respect our attempt to be objective in these matters.

## TRAVEL POLICY

The Club assumes no responsibility or liability whatsoever for travel associated with DSA training, practices, league or tournament play. As a player within the Club, travel outside of the county is anticipated and expected; and all players will be required to participate in every event unless injured. Certain travel rules are Club specific, but other rules and guidelines can and will be set by individual teams. Travel rules for the Club include:

- Players and parents are expected to not smoke, drink alcohol, or use illicit drugs;
- Respect for fellow players, families, chaperones, and all others in authority;
- Respect for the property of others, including hotel property, etc. and respect for other guests and hotel staff;
- Players need to be accounted for at all times with either a parent, chaperone, coach, or other designated person;
- All movie selections at a hotel will be approved by the parent, chaperone, or other designated person;
- No costs will be levied against a room account without permission of a parent, chaperone, or other designated person;
- Curfew will be set by team coach, honored by all players, and supported by parents and chaperones;
- Team meetings, training, meals, and other activities set by the coach are mandatory and players are responsible for being punctual, with absence or tardiness limited to situations where prior permission has been given by the coach;
- Teams are expected to stay together in the same hotel whenever possible;
- If rooming assignments are necessary, players are expected to honor assignments made by the coach or manager;
- As representatives of the Club, decorum and manners are expected through the entire trip;
- Players are to travel as a team when instructed to do so;
- Players will not, under any circumstances, operate rental vehicles; and
- Dress requirements while traveling or at special events such as opening ceremonies at regional or national tournaments may be set and must be adhered to as instructed by the team coach.

Additionally, families of Club players are also expected to observe Club travel rules and any other applicable Club or team specific rules while traveling and staying in hotels with a Club team. Parents should be mentors and leaders for the players and teams!

## **PLAYER UNIFORM POLICY**

Diaspora Soccer Academy has standardized on single uniform kit for all Club Competitive teams. Players must wear approved DSA uniforms for all league, tournament, or cup events. No team/club sponsor logos or names may be placed on uniforms.

## **TRYOUTS (TRIALS)**

Club tryouts are held annually and are open to all players who meet the age requirements. Each prospect will be given a fair opportunity to make the team. The club will announce the open tryouts to inform the public of the specific tryout dates and times. Evaluations and selections will be based solely on how players perform in the four evaluation areas according to the training staff. Evaluations take place during the competitive soccer season (practices and games), as well as during open tryouts.

## **PLAYER COMMITMENTS**

DSA is a competitive soccer club geared towards players who love the sport of soccer and are serious about their development as soccer players. It is important to recognize that players and parents invest significant time and resources in playing club soccer and expect the club to create and foster an environment which will ultimately allow players to compete at the highest levels of high school and possibly college soccer and beyond.

Your commitment to the club and the club's commitment to you are for one soccer seasonal year only and at the end of each year, you must try out again. At the conclusion of the year your commitment to the club is over and you are free to leave the club if you feel it is in your best interest. The aim of this policy is to create an appropriate competitive environment for the proper development of our players. The intention is not, however, to create an environment where trainers are unnecessarily recruiting large numbers of new players each year simply to win games and move up the competitive ladder of the league. Player may be cut from a team during a seasonal year for various reasons which include disciplinary reasons, failure to fulfill financial obligations and parent misconduct.

Players are expected to make their commitment to DSA as their first recreational activity priority during the league season. We expect our players and parents to be ethical, honest and to honor their commitments both verbal and written; therefore you should make your decisions thoughtfully and carefully. Once your commitment is made, the club expects your full participation and support for the entire soccer season. Take into account that when you make your commitment, the coach may need to inform other potential players that they did not make the team. Please be sensitive to others and consider your decision carefully. If you have committed to the club, the club will also be ethical and honest, honoring its commitment to you.

## **PLAYER RESPONSIBILITIES**

Attendance at games is mandatory. Games will be rescheduled on short notice and you will be expected to make every effort to attend. Teams may play in tournaments over the Public Holidays and perhaps other weekends. Barring a special family circumstance, you will be expected to be there. Players should arrive at all games 50 minutes early with all game jerseys and complete uniform available. During games, players are expected to follow the instructions of their trainers. Players not on the field are expected to sit and watch their teammates from the bench. Players are expected to try their best within the rules of the game and compete aggressively but fairly at all times.

Players are expected to condition themselves both during the season and in the off-season. Failure to be in good physical condition will necessarily affect a player's ability to perform and will likely cut a player's playing time during the season. Likewise, players are expected to work on soccer skills year round either on a formal or informal basis. Players need touches on the ball as much as possible throughout the year in order to develop. Practices are mandatory and should only be missed on account of illness, religious obligation or special circumstance. Please inform your coach in advance if you can't make a practice. Players are expected to arrive at practices 10 minutes prior to the scheduled start time with lots to drink and shin guards. Players should use the bathroom prior to practice and should be ready to train seriously when they arrive.

Nutrition and rest are also the responsibility of the player. We expect players to eat nutritious, healthy food in a timely fashion so as not to interfere with performance. If you have questions about which foods are best for performing athletes, please ask the team coach.

As a member of DSA, you are responsible for your own performance and conduct. Honesty, communication, and reliability are expected at all times. The club asks that you care about yourself and the sport of soccer. This requires that you maintain a healthy lifestyle and a healthy team attitude. In addition, our club will insist you maintain a positive team attitude and a personal sense of sportsmanship and fair play.

## **OFF THE FIELD**

DSA players are expected to carry themselves as gentlemen and ladies on and off the field. At tournaments, player behavior is expected to be exemplary on and off the field. As elite athletes, players are further expected to conduct themselves with dignity and respect at home and at school. Disrespect of adults, including teachers and parents, will not be tolerated. Poor behavior by one player is a bad reflection on teammates and the club.

## SCHOOLWORK

Part of the commitment of playing for DSA is a commitment to being able to handle all the obligations that a student has in his or her daily life. It is expected that all players be prepared to play soccer at DSA games and practices. This demands that players do their best in school and budget their time in order to fulfill their obligations in their primary role as students. Players who are not doing their best in school and/or are not meeting their homework obligations are jeopardizing their position on their team and letting their fellow teammates down.

## COMMUNICATIONS

As a member of DSA, you are responsible for your own performance and conduct. Honesty, reliability and communication will be expected at all times. There will inevitably be times during the season when trainers make decisions and players will be instructed to do things they may not understand. During such times, players are encouraged to talk with their trainer so they can gain a better understanding of why certain decisions are being made and what is expected of them. If you have issues or concerns such as the amount of playing time you are receiving, whether or not you are starting, what position you are playing, etc., please do not hesitate to speak with your trainer at the appropriate time. All of the DSA trainers have an open-door policy with respect to such issues or concerns and they encourage and expect you to communicate when you have such issues or concerns. You and your trainer may not ultimately agree on such matters but you will both have a better understanding of each other and what needs to be done to resolve the matter. You are responsible for knowing what is going on with your team. There are times when changes are made (sometimes last minute) to practice and/or game dates, times and/or locations. Most teams communicate primarily by e-mail, so you must check your e-mail box daily. If you are going to miss a practice or game (or be arriving late or leaving early) you must notify your trainer or the designated person at the earliest possible moment. In case of inclement weather your team has a procedure for announcing field closure.

## THE PARENTS

Parental support and involvement in the club are essential. Team parents must make sure their child attends all possible club and team functions (practices, meetings, games, etc.). We understand there will be times when conflicts cannot be avoided and other more important events occur. The club requires your communication, planning, and understanding so we can minimize conflicts. It is the team's responsibility to present a periodic schedule to allow time for your planning. When parents or players have an unavoidable conflict, the club expects timely communication to see if the club or team can make any necessary adjustments. The team manager will make final decisions on scheduling after careful consideration of your needs and those of the club or team.

## SIDELINE COACHING

There will be no coaching by parents. 'Go, 'shoot, 'pass' or 'send it' are interpreted as instructions and as such are not desirable. No matter how good your intentions are; we insist there be no shouting instructions to your child or any other player on the team. We also insist there be absolutely no yelling or complaining to referees or officials during or after games. Your vocal support and positive encouragement are welcome after good play. Please do not criticize or "moan" with disappointment when mistakes are made. The players are well aware of mistakes they make (especially the bad ones), and we also teach our players that overcoming and learning from mistakes are an important part of the learning process.

It is important that players not be distracted at practices, during games, and that players are given only one set of instructions by one voice before, during, and after practices and games. For this reason, the club insists the coach and assistant coach is the only voice before, at and after all games and practices. No one other than those listed on the official game roster may sit on or near the team bench before and during games (please respect the space and privacy necessary for the coach and team to carry out their game responsibilities).

Please respect all of the other players on the team; please do not make critical remarks to others about specific players on your team. Many times, these comments are overheard by the players or others and can be quite hurtful and foster an unhealthy team environment.

Please respect your coach and assistant coach and do not make negative remarks to others about coaching decisions. The club's first concern is for the long-term growth and development of our players as individuals along with their soccer abilities under pressure. There will be times trainers make decisions and players are instructed to do things parents will not understand. Club, team and player development will sometimes be given a greater priority than winning, especially in the younger years prior to high school. Parents must understand this and conduct themselves in a manner consistent with this philosophy in order to maintain a healthy team environment. Remember, playing only to win without taking healthy club, team and player development into account will not result in a solid foundation upon which your child will be prepared for winning.

Parents, always at the appropriate moment and time, should feel free to communicate and ask questions about your child. Also, please take the initiative to encourage and teach your player to speak up and communicate for themselves whenever possible. DSA believe in and teaches players the benefit of having mental toughness to guide their intense focus on the game of soccer. We will instruct your child to ignore adverse conditions such as bad referees, name calling, foul language, rough play, cheating, poor weather, negative behavior by parents or opponents, etc. We expect our parents (as well as our trainers) to have this same mental toughness.

## MANAGER

Managers are parents with players on the team, who have volunteered to manage the team's scheduling, finances, tournaments, etc. They do a lot of things parents and players don't realize and you are expected to cooperate fully with them at all times. Please make all payments or request on due date given, without having to be reminded or harassed. Have the courtesy to return or reply to calls, texts and/or e-mails; just like other parents, they have full schedules.

## THE COACHES

The Coaches for DSA are instructed to conduct themselves first as teachers and second as soccer trainers. Nothing positive will come of the Academy's efforts if we produce world-class players who do not know how to conduct themselves as successful human beings. In this regard you can expect DSA trainers to conduct themselves as positive role models and display appropriate behavior. Our trainers recognize they are dealing in an important way with young people and cannot overlook the impact they have on players' lives. Trainers, together with the team managers are responsible for the conduct of the team on and off the field whenever the team is together. We insist our players are polite, well behaved and respectful. Players and parents can expect honesty, communication, consistency, and reliability from the trainer. The club and the trainers are committed to giving players the tools and skills to enable them to become as good as their ability, desire, commitment, and effort allow. Trainers are committed to creating an environment that is conducive to the development of quality competitive soccer. We recognize there are things more important in life than soccer. In terms of priority, family and school work come first. However, if the trainers see you are not willing to put your soccer above other recreational activities during the season, it may affect your playing time and/or your status with the club. Do not expect the trainers to praise everything you do well. After a time there are things the trainer will come to expect from every player.

There are times when the trainers will say very little, and times they may yell out instructions. There are times they will be critical of players, and other times they will be generous with praise. Players and parents are expected to take constructive criticism along with praise for a job well done, and be able to deal with both. The trainer will attend practices and will coach at games. In situations where conflicts do occur, and they will, the club will designate a trainer to cover that particular practice or game. It is important for players and parents to understand that coaching in soccer is overrated. Once players reach a certain level of skill, maturity and experience, they become more important to the team's success than the trainer. The trainers will make decisions on player selections, game lineup, player positions, amount of playing time, etc. Players must be positive in fulfilling the role they are asked to perform for the team at any moment, even if that role has them not playing at all, coming off the bench, or playing a different position. If conflicts or issues arise between a player and/ his/her parents and the team then the trainer and manager will be responsible for addressing and responding to the conflicts or issues and make decisions for the good of the team. These decisions will be made in the manager's/trainers' sole and absolute discretion. The manager's/trainer's decision will be final. The player and his/her parents must agree to abide by the decision. There are some trainers who coach two or more DSA teams. All such trainers will attend all training sessions and will attend all possible team games as the schedule permits. There will be times when conflicts occur and, in those situations, another trainer will cover one of the games or practices. The decision as to which team is covered by the trainer will be determined solely by the trainer. We hold our trainers to the highest standards and there will be times when you do not agree with the trainer's conduct. If you tried everything to rectify the situation and still not satisfied, you may contact the team manager who will contact the Board.

## PLAYING TIME

There is no guaranteed amount of playing time and there are many factors that can affect the amount of playing time for a particular player. The policy of the club is that playing time is earned and not given. Starting positions and playing time are both earned by coming to practice regularly and by working hard, competing and concentrating during practices and games. Should you have any questions or concerns, please talk with your trainer at the appropriate time.

## FEEES

The club and teams are financially supported through player dues. The amount per player varies per year. Annual team due to the club is currently: Players residing out of the club house

## DISCIPLINARY ACTIONS

If you are uncertain of what is expected, it is your responsibility to ask one of your coaches. Knowing and understanding these things, your participation in the club will be positive for you as you develop your soccer abilities to the highest level possible. We have high expectations of the club, the teams, the coaches, and you. These expectations are really the rules, regulations, and policies of DSA. So that you and every player in our Academy can get the maximum benefit, we need you and every player to abide by the Club Bylaws, Rules, Regulations and Policies. Everyone has problems from time to time and we will make every effort to work with you to help solve the problems you may have. After we have exhausted all efforts to solve the problem, we will be left with little choice other than to pursue disciplinary action as outlined below. The same procedures will apply to situations where parents or coaches may require warrant disciplinary steps.

1. The coach will discuss the problem directly and privately with the player, with the assumption the problem will be corrected immediately.
2. If the problem persists, the coach will communicate with the player's parents to discuss the problem and lack of response on the part of the player.
3. Parents will have the opportunity to be involved with correction of the problem at this time. If the problem continues, the coach may temporarily suspend the player. If the situation warrants, the coach may recommend to the Board that the player be removed from the club. The parents will be notified by the Board of the coach's recommendation.
4. The parents of any player recommended for removal from the club may request to meet with the Board.
